

# Cliftonville Partnership

Dear Sir/Madam

As you may be aware, Cliftonville is in the process of being regenerated.

What does this mean to you?

- Those of you that have attended meetings will be aware that there has been a substantial amount of money available, including SSCF funding for £1,000 and £5,000 grants.
- A “clean-up” operation and gating of alleys in the Northdown Road area
- More lighting, CCTV cameras and speed reduction measures to create a secure and “village/community” atmosphere
- Decorative lighting/floral displays/hanging baskets to enhance the area and make Cliftonville West a more attractive place in which to live and work.

**To receive funding to make this happen - The Cliftonville Partnership needs your help!!!**

Just 96p per week will help to fund the above.
